**RESOLUTION #12-101:** Mr. Frost moved and Mr. Harkleroad seconded the motion to approve the minutes of the September 18, 2012 Trustee Meeting. Vote was unanimous.

Vouchers and warrants #23020 thru #2 EFTs #E03192 thru #E03 & Voucher W00022 were approved for payment.

- Todd Miller, District Technician, Mahoning County Soil & Water, introduced himself and explained how Soil & Water wants to improve water quality and soil.

**CORRESPONDENCE:**

- Received a Resolution from the City of Campbell Opposing the proposed Mahoning County Municipal/County Courts Consolidation Plan. The Trustees will table until they have more information.
- Mr. Harkleroad stated there will be a Meeting at the Township Hall on 10/31 at 9:30am.

### OLD BUSINESS:

- At last meeting we made a Resolution to finance the new Dodge Police Cruiser at Farmers National. The money for the cost of the cruiser was advanced from the General Fund and will pay back the General Fund in 3 payments over a two year period. We will save \$1500.00 on finance charges.

- 

## NEW BUSINESS:

**RESOLUTION #12-102:** Mr. Harkleroad moved and Mr. Frost seconded the motion approving Financial Reports for September 2012. Vote was unanimous.

**RESOLUTION #12-103:** Mr. Harkleroad moved and Mr. Booth seconded the motion for the proposal from R.E.V. Sealcoating to repair cracks on Blott Rd. from Bailey to Rosemont of \$1,500.00. REV is not charging us any more than they charged 3 years ago. Vote was unanimous.

- Mr. Frost advised that ODOT may be able to help the township with our match for the OPWC paving project of the Commerce Park. The project is in 3 phases and the township share for each phase is \$28,024. ODOT has had a meeting with companies in the Commerce Park to discuss new job creation and expansion in the park. \*
- Mr. Harkleroad advised that there will be a company going around the township for Seismic Testing.

**Department Heads:**

**ROAD:**

- Mr. Cadle reported that the bleachers are about half done with primer.
- The trustees wanted to know if we will be covered with grave digging since Jim Brown will be having surgery. He will be having someone filling in for him when he is off for surgery.

**FIRE:**

**POLICE:**

- Chief Frost gave his monthly police report for September 2012.
- Corporal Schneider and Detective Newhard stopped 2 people and this led to their arrests. They took part in 5 burglaries in Jackson Township and 35 other ones in other outlying areas.
- Chief Frost advised that the reason for choosing the Dodge Charger versus Chevy Caprice was a cost savings of \$4500.00 for a police cruiser.

**ZONING:**

- North Coast Grinding in the Commerce Park had a permit issued
- Residence at Palmyra Rd. - Met with Atty. Finamore (looking over prior JE) then decides what is in violation. Option 1, can only cite property owner if in violation of prior JE.
- Noxious weed letters mailed--(3)—Two on S. Salem Warren, one on Palmyra Rd.
- Ohio APA Zoning Workshop—Cleveland, November 16—all board members have been given the information
- Gladstone Rd. properties (old bus –home depot & property with junk vehicles)

**PUBLIC COMMENT:**

- Mr. Veauthier asked if a property owner who has signed their mineral rights away would have the authority to let the company do Seismic Testing.
- Mr. Yacuucci asked if the crossing signals on SR 45 could be checked they are not coming down all the way. Mr. Cadle will to report.
- Mr. Harkleroad advised that the Fire Department supplied water because of a water line break at the new Steel Mill on Bailey Road. The mill was in the middle of a heat lot for nickel. Because of the efforts of our Fire Department they didn't lose any of the heat.
- Mr. Veauthier asked if Inspector Locke has been to the Palmyra Road property for an inspection. She advised that she was there about a month ago and he is always told not to bring in any new items. Mr. Frost asked if we found out if the judgments are current. If the Judgments are not current the Trustees gave their approval to proceed with option number 2 which will lead to number 3.
- Ms. Vera Davis advised that her portion of Silica Road was paved today. She also reported that 2 street lights were out in the township. Mr. Cadle will contact Ohio Edison.

There being no further business to come before the Board, the meeting adjourned at 8:38 pm.
